no

Select Menu choice for annual banquet on Saturday January 6.

Braised chicken
Roast Salmon
Vegetarian
Not attending

ALMA International hopes to welcome as many students as possible to attend AISE 2017 on January 3 and 4, 2017 in Las Vegas, NV. However we expect to receive more applications than available free slots. To assure the best possible result, ALMA's consideration process will be limited to students currently engaged in fields of study applicable to electroacoustics and related audio. The more information you supply us with to support your application, the better the chance of approval. The deadline to apply is October 30, 2016. Winners will be notified by November 15, 2016

Return this form along with supporting documents to: barryvogel@almainternational.org or you may mail to: ALMA International, 39962 W Thornberry Ln, Maricopa, AZ 85138

Thank-you for applying! Best of luck. We hope to see you at AISE 2017.
