**PLEASE READ!**

ALMA International hopes to welcome as many students as possible to attend AISE2019 on June 9 and 10, 2019 in Orlando, Florida. However we expect to receive more applications than available free slots. To assure the best possible result, ALMA's consideration process will be limited to students currently engaged in fields of study applicable to electroacoustics and related audio technologies. The more information you supply us with to support your application, the better the chance of approval. The deadline to apply is May 1, 2019. Winners will be notified by May 15, 2019. Return this form along with supporting documents to: [bvogel@almaint.org](mailto:bvogel@almaint.org) or you may mail to: ALMA International, 39962 W Thornberry Ln, Maricopa, AZ 85138  
Thank-you for applying! Best of luck. We hope to see you at AISE 2017

\*Any student who receives a Free All Access Pass under the student program will be expected to fulfill their commitment to volunteering their 4 hours at AISE. You will be notified in advance when and where you will be needed. Any student who does not complete their commitment will be liable for the full cost of attending AISE.
